(i) If the number of the ballot papers in any such bundle is equal to the quota, the ballot papers shall be set aside and finally dealt with. Provided that a candidate who secures votes which are equal to or greater than the quota but cannot be elected because other members securing more votes have been deemed to have been elected according to the number of seats reserved for the particular State/Union Territory, his votes shall be transferred to the continuing candidate of any of the other States/Union Territories indicated on the Ballot Papers as next in order of the voter's preference and for this the manner prescribed in Regulation 47 shall be followed.

(iv) Where two or more surpluses are equal, the Returning Officer shall decide, as hereinafter provided, which shall be first dealt with.

This shall also apply for the votes of a candidate who has secured votes which are equal to or greater than the quota, but cannot be elected because other members securing more votes have been deemed to have been elected according to the number of seats reserved for the particular State/Union Territory, his votes shall be transferred to the continuing candidate of any other State/Union Territory indicated on the Ballot Paper as next in the order of the voter's preference and for this the manner prescribed in Regulation 47 shall be followed.

(v) (a) (i) If the surplus of any candidate to be transferred arises from original votes only, all the ballot papers, in the bundle belonging to the candidate whose surplus is to be transferred shall be examined and the unexhausted ballot papers divided into sub-bundles according to the next preference recorded therein. A separate sub-bundle shall also be made of the exhausted ballot papers.

(ii) This shall also apply for the votes of a candidate who has secured votes which are equal to or greater than the quota, but cannot be elected because other members securing more votes have been deemed to have been elected according to the number of seats reserved for the particular State/Union Territory, his votes shall be transferred to the continuing candidate of any of the other States/Union Territory indicated on the Ballot Paper as next in the order of the voter's preference, and for this the manner prescribed in Regulation 47 shall be followed.

(b) The number of the ballot papers in each sub-bundle and the total of all the unexhausted ballot papers shall then be ascertained.

(c) If the total number of the unexhausted ballot papers is equal to or less than the surplus, all the sub-bundles shall be transferred to the continuing candidates.

(d) If the value of the unexhausted papers is greater than the surplus, the sub-bundles of unexhausted papers shall be transferred and the value at which each paper shall be transferred shall be ascertained by dividing the surplus by the total number of unexhausted papers.

(vi) If the surplus of any candidate to be transferred arises from transferred as well as original votes, all the ballot papers, in the sub-bundle last transferred to the candidate shall be re-examined and the unexhausted ballot papers divided into sub-bundles according to the next

preference recorded thereon. The sub-bundle shall be dealt with in the same manner as is provided in the case of the sub-bundle referred to in clause (v).

(vii) The ballot papers transferred to each candidate shall be added in the form of a sub-bundle to the ballot papers already belonging to such candidates.

(viii) All ballot papers in the bundles or sub-bundle of an elected candidate not transferred under this Regulation shall be set aside as finally dealt with.

45. Any exhausted ballot papers shall be set aside as finally dealt with.

(iv) Each of such transfers shall be deemed to be as separate transfer.

(v) If the total of the votes of the two or more candidates lowest on the poll, together with any surplus votes not transferred, is less than the votes credited to the next highest candidate, those candidates, may in one operation, be excluded from the poll and their vote transferred in accordance with the directions given in clauses (i) to (iv) above.

(vi) The process directed by this regulation shall be repeated on the successive exclusions of the candidates lowest on the poll until the last vacancy is filled either by the election of a candidate with the quota, or as hereinafter provided.

46. If, as a result of a transfer of ballot papers under these Regulations, the number of votes obtained by a candidate is equal to or greater than the quota, the transfer then proceeding shall be completed but no further ballot papers shall be transferred to him.

47. Subject to the provisions contained in Regulations 42, 43 and 44 :

(i) If, after the completion of any transfer, under these Regulations, the number of the votes of any candidate shall be equal to or greater than the quota, he shall be declared elected.

(ii) If the number of the votes of any such candidates shall be equal to the quota, the whole of the ballot papers on which such votes are recorded shall be set aside as finally dealt with.

(iii) If the number of the votes of any such candidate is larger than the quota, his surplus shall thereupon be distributed in the manner hereinbefore provided, before the exclusion of any other candidate.

48. Subject to the provisions contained in the Regulations 42, 43 and 44 :

(i) When the number of continuing candidates is reduced to the number of vacancies remaining unfilled, the continuing candidates shall be declared elected.

(ii) When only one vacancy remains unfilled and the number of the votes of one continuing candidate exceeds the total of all the votes of the other continuing candidates, together with any surplus, not transferred, that candidate shall be declared elected.

- (iii) When only one vacancy remains unfilled and there are only two continuing candidates and those two candidates have each the same number of votes and no surplus remains capable of transfer, one candidate shall be excluded under Regulation 49 and the other deemed elected.

49. If, when there is more than one surplus to be distributed, two or more surpluses are equal or if at any time it becomes necessary to exclude a candidate and two or more candidates have the same number of votes and are lowest on the poll, regard shall be had to the original votes of each candidate and the candidate for whom fewest original votes are recorded shall have his surplus first distributed or shall be first excluded, as the case may be. If the number of their original votes is the same, the Returning Officer shall decide by lot which candidate, shall have his surplus distributed or be excluded.

50. Any candidate, or his agent, may, at any time during the counting of the votes, either before the commencement or after the completion of any transfer of votes (whether surplus or otherwise), make a request in writing to the Returning Officer to re-examine and recount the ballot papers of all candidates or of any candidate (not being ballot papers set aside at any previous transfer as finally dealt with), and the Returning Officer shall forthwith re-examine and recount the same accordingly. The Returning Officer may also, at his discretion, recount votes, either once or more often in any case in which he is not satisfied, as to the accuracy of any previous count, provided that nothing herein shall make it obligatory on the Returning Officer to recount the same votes more than once.
